Breathtaking city-light views abound from this gated hillside beauty perched on over two acres! Entertain in style in your contemporary living spaces, featuring soaring 14' tray ceilings, a dining and great room that offer stunning views of Pinnacle Peak and Troon Mountains, a temperature controlled wine cellar, and a full-service wet bar with refrigerator, ice maker, and two-way fireplace. The chef's kitchen overlooks the living space and boasts granite countertops, stainless steel appliances, including a DCS range/oven/griddle and hood, and more storage than you can imagine! Your resort style backyard with a heated waterfall pebble-finish pool, spa, fire-pit, outdoor kitchen with built-in BBQ, kegerator, and putting green. Retreat indoors to the pool bath complete with a shower and separate steam shower for a spa-like relaxation experience! The luxurious master suite is inviting with a cozy fireplace and picture windows to take in the Sonoran Desert views. The walk-in closet is enormous! All bedrooms are en-suite with large closets. The 3 car garage houses four separate storage closets. Troon North amenities and hiking/biking trails all nearby!
