Come experience resort style living in this stunning single story home with a backyard that is just perfect for entertaining. Enjoy views of the mountain preserve that backs right up to this elevated lot home in the very popular Fireside at Norterra. Located within the gated subdivision of Norterra Ridge, this +/-3,800 sq ft, 4 bed 3.5 bath, plus den/office split and open floor plan has multiple entertainment areas including an oversized island in the kitchen with lots of seating, a large outdoor built-in gas grill kitchen area with stacked stone bar with granite tops, Alfresco BBQ, and an oversized round high-top table under the pergola with a gas fire ring. Guests can gather around the separate built-in gas fire-pit area, that is within close proximity to both the heated pool and spa with a waterfall feature. Kitchen is open to the family room with gas fireplace and surround sound. Stainless steel GE Monogram appliances including gas cooktop and double convection ovens. Upgraded maple cabinets including in the butler's pantry, and high-end granite tops with tile backsplash. Large Master suite with new white oak wood floors and an exit to the private patio area also with mountain views. The huge master bath includes his and hers raised vanities and a separate makeup area, an oversized shower with seamless glass enclosure with ORB dual heads and sprayer. His and hers walk-in closets with custom built-ins. Other two bedrooms have en-suite baths and walk-in closets. Fireside community amenities include hiking and bike trails, playgrounds, basketball courts, fitness center with a rock climbing wall, game tables, tennis pools, and spa.
