Stunning remodel on 1.3 acres features modern updates and an open floor plan. The chef's kitchen overlooks the great room and boasts upgraded staggered cabinets, upgraded granite countertops/backsplash, SS appliances, refrigerator drawers for extra storage, and a large pantry. The gorgeous limestone floors perfectly complement the modern feel of the open living spaces. Relax in the family room by the cozy fireplace, while you enjoy the views of the Sonoran Desert oasis. Retreat to the large, split master suite and spa-like bathroom featuring beautiful engineered wood floors, a walk-in closet with custom built-ins, exquisite granite counters, upgraded cabinets, and a large walk-in shower with dual heads. The secondary bedrooms are large with engineered wood floors and their own upgraded bathrooms. Move outside to enjoy your expansive open-air paver patio, newly refinished pebble tec pool and deck, and newly covered patio. Other recent upgrades include interior and exterior paint, plantation shutters, HVAC, water heater, and new flat roof. Don't miss this jewel in the desert!
