Absolutely stunning single level Camelot home in the heart of DC Ranch! Split floor plan with formal living and dining spaces, a family room with a stone fireplace, and a bonus room. Beautifully appointed gourmet kitchen, perfect for entertaining and family time with its Wolf gas cooktop, dual convection ovens, granite countertops, and subway tile backsplash. Huge master retreat with bay window sitting area and beautifully remodeled master bath professionally designed by One Source Interiors. Recessed lighting throughout the residence all controlled by dimmers allowing for the brightest illumination to a softer ambiance, including a hand-carved chandelier in the formal dining area and an elegant, sculpted chandelier above the kitchen island. Outdoor living is equally impressive, with a large covered patio, built-in BBQ, sparkling pool, raised deck with fireplace overlooking desert and mountain views. Relaxing spa with a bubbling stream that flows into the pool. This gated enclave is ideally situated and accessible via DC Ranch's path system between Market Street with its numerous restaurants, grocery, and shops and the Desert Camp recreation center with pools, tennis and basketball courts and entertainment venue.
